Dear Sir

I would like to confirm receipt of your correspondence dated June 20, 2007 and included your Water Quality Report May 2007.

I wish to advise you that I have provided all of County Council with a copy of the letter and report at our July 4, 2007 Council meeting.

I have further instructed it to be reviewed by our Planning and Health Unit Departments and for them to report back to County Council at their earliest opportunity.

Thank you for your interest and participation in our Huron County Water Protection Steering Committee and should any action arise from the Staff reports, we shall advise you thereof.

Yours Truly

  
D. J (Deb) Shewfelt
